Sir:**

M&J FIBRETECH A/S, a Danish company having a place of business in Denmark, being the assignee of the entire right, title and interest in, to, and under United States Letters Patent No. 6,375,773 by assignment hereby assents to the accompanying application for reissue of said Letters Patent.

The undersigned, Henning Skov Jensen, certifies as follows:

1. M&J FIBRETECH A/S is the Assignee of the entire right, title, and interest in and to the invention and patent application identified above by virtue of an assignment from the inventor to M&J FIBRETECH A/S, which assignment was recorded on April 12, 2000 at reel 010800 frame 0767.

2. I have reviewed the above-identified Assignments and, to the best of my knowledge and belief, the entire title to the application is in M&J FIBRETECH A/S and I am empowered to act on its behalf in this matter.

3. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and

the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Signed this 16 day of March, 2004.
